Classes are in full swing and all of our competition classes have begun work on their choreography for their group dances for competition this spring.

It is important that throughout the next few months your child attend classes so they do not get behind on their choreography. If your child is sick and unable to attend their regular classes it is imperative that they get together with another student to catch up on what they missed! Sessional classes are also off to a great start, so great to see all of these new faces!

FESTIVAL PRIVATES & STUDIO ROOM BOOKINGS

It is your responsibility to make sure you know your time and day and week of your private. If you cannot make your private **YOU** must find someone to switch with or you will be billed for the missed lesson. All rescheduling or switching of privates must be done through **MISS MEAGAN ONLY.** All privates schedules will be posted on FACEBOOK and emailed out. They do tend to change so make sure you are checking frequently to see if your times have moved etc. Please let Miss Meagan know if you do not receive an email.

Don't forget once you start learning your solo, duo, etc it is your responsibility to be practicing at home so you are prepared for your next private having your instructor review instead of using your time to move forward to the next section.

You can book studio space at the front desk to practice your privates.

Open spaces are available at the following times :

Tues 8:30-9:30pm, Wed 7:45-9:30pm, Friday 7:30-9:30pm, Saturday 9:30 am - 3pm (2 studios available on Saturdays)

PARENT VIEWING

We will be holding parent viewing this year during the first week of December from [Nov 27-Dec 2nd](#). We ask that all students only bring with them 1 or 2 guests as the rooms get to crowded and loud if there are too many in our audience and becomes a distraction to the dancers. You are allowed to take pictures and video during class just please make sure you are not a distraction to those around you!
