March is here and we are now on the home stretch before Dance Competition season. All classes are on to the cleaning phases of their competition numbers, fixing technique, working with their props, going over spacing and ensuring that all students know their choreography. Attendance & Participation is essential at this stage! We are not a studio that auditions for our competition groups, instead we allow all students the chance to be involved in this experience. In order for the students to have a positive experience, we must have everyone's cooperation in attending ALL classes to prepare. These are GROUP dances and each dancer is responsible to their fellow dancer and teammates! We would really like everyone's cooperation and understanding in this matter.

Please realize we just want all the students to have the best experience!!!

Love all your TPDS staff

We haven't received anything yet for the Lethbridge competition but as soon as we receive the schedule we will pass it along to our dance families so that you can better prepare for your travels accordingly. Remember we require dancers to arrive at the theatre 1 1/2 hours before their scheduled time as competitions can run ahead and students need time to warmup and rehearse.
