Classes are in full swing and all of our competition classes have begun work on their choreography for their group dances for competition this spring. We are gearing up for our 1st Christmas Performances in December in Pincher Creek for all students.

It is important that throughout the next few months your child attend classes so they do not get behind on their choreography. If your child is sick and unable to attend their regular classes it is imperative that they get together with another student to catch up on what they missed!

Fall sessional classes are coming to an end. Registration for the Winter Session is NOW OPEN. You can register through our portal or stop by the front desk.

Our new website has been launched but is still under construction but should be completed soon!!
