CNP Sessional Program Newsletter

Here at TPDS, we are proud to offer 3 different programs to suit the needs & interests of every student. These 3 programs are competitive, full-year & sessional.

Our sessional program is a recreational program that runs for 10-12 weeks at a time. There are no extra commitments such as year-end show or competition. New for the 2018/2019 season is the optional opportunity to be involved in our Christmas Show.

For our Crowsnest Pass location, students who wish to participate in our year-end show must change over to the full year program within the 1st month of the Winter Session. If you do not wish to be participate in our year-end show, the sessional program is where your student would stay. Full-year programming is available for students who wish to take class all year. Full-year programming runs for 34 weeks where sessional programming runs for 32 weeks. If you would like more information on the cost for both programs, please contact

Tammy our accounts manager at accountstpds@tammyschmidt.com
