Classes are in full swing and all of our competition classes have begun work on their choreography for their group dances for competition this spring. We are gearing up for our 2nd Christmas Performance on December 15th in Pincher Creek for all students.

It is important that throughout the next few months your child attend classes so they do not get behind on their choreography. If your child is sick and unable to attend their regular classes it is imperative that they get together with another student to catch up on what they missed!

Fall sessional classes are coming to an end the beginning of December. Registration for the Winter Session will open on November 15th.

You will receive a pre-approval for your student & teacher suggestion for the Winter Session.

# Studio Rules & Regulation Updates

---

1. It is **REALLY** important that all dancers are entering through the **BACK DOOR** of the building NOT the front entrance
2. The back room area must be **TREATED WITH RESPECT** from students especially during breaks. Students have been extremely rough with items in the back area including climbing on the furniture.
3. Students and families must be **CLEANING UP** after themselves especially after eating in the back area, please do not leave garbage and food around.
4. **PROPER DANCE** Attire, Shoes, Tights and Hair are extremely important!! All female dancers should HAVE THE PROPER ITEMS REQUIRED TO MAKE A BUN before each ballet class, all other classes students must have their hair pulled back in a ponytail.
5. Make sure students **UTILIZE THEIR LOCKERS** properly by leaving and dance items like shoes at the studio in their locker so they have them for class.

## Health and Safety of all the Dancers

1. We want everyone to know the studio will **NOT ALLOW** parents or students **“Vaping”** inside or near the building.
2. Health and safety is of the utmost importance to us and our dance family.
3. We also insist that if dancers are going to leave the studio during their breaks that we have written consent from their parent on file stating the parent is taking responsibility for the student once not at the studio.
4. If a student is planning on leaving the studio they must notify a teacher before they leave .This does not include when leaving with your parents. We are referring to when students leave the studio together to drive to get snacks or drinks from example Tim Hortons.

## PARENT VIEWING

We will be holding parent viewing this year during the last week of November from **Nov 25 - Nov 30** for our ALL OUR CLASSES - including full year, competitive & Sessional Classes.

We ask that all students only bring with them 1 or 2 guests as the rooms get to crowded and loud if there are too many in our audience and becomes a distraction to the dancers. You are allowed to take pictures and video during class just please make sure you are not a distraction to those around you!
